

Children, Dependency, and Emotions in the Early Modern World, 1500-1800: Archival and Visual Narratives

September 12-14, 2024

"Child Slave in China, 17th century" © Kulturstiftung Dessau-Wörlitz, photo by Peter Dafinger

Throughout history children have been subjected to violence, coercion, forced labor and separation. Children also developed strategies to cope with their oftentimes deplorable living conditions. This conference is interested in the archival, visual, and material traces some of these children have left - aiming at reconstructing social and emotional worlds of children in early modern global history.

VENUE

University of Bonn
Rabinstraße 8
D-53111 Bonn

THURSDAY, SEPTEMBER 12, 2024

11:00-11:30 am Welcome from Susan Broomhall and Claudia Jarzebowski
